A Card From Cook Bros.

A local photographer, whose agents were once with Cook Bros., original flash light photographers in Paducah, and who can probably not rely on his own work to obtain orders, advertises that all others except these "for-said agents" representing themselves as solicitors for his flashlight "photography" are frauds.

A While not aware that any other two agents have been thus representing themselves, we wish to warn of all people, as we are informed that these "artists and original" agents for the said local "photographer" are the work of Cook Bros.

The fact itself is a high compliment, denoted by exhibiting these samples as the work of the local "photographer," the they are obtaining orders under false pretenses.
